

## Suggested routes in PolyU Campus

### Section II: Routes from Hung Hom Station to Y core.

This document shows the route from Hung Hom Station Exit A<sub>1</sub> to Y core at the Hong Kong Polytechnic University.

After passing through the turnstile, please find Exit A<sub>1</sub> and walk through a bridge to arrive PolyU.

After you arrive the gate of PolyU (shown in this picture), please turn right directly.

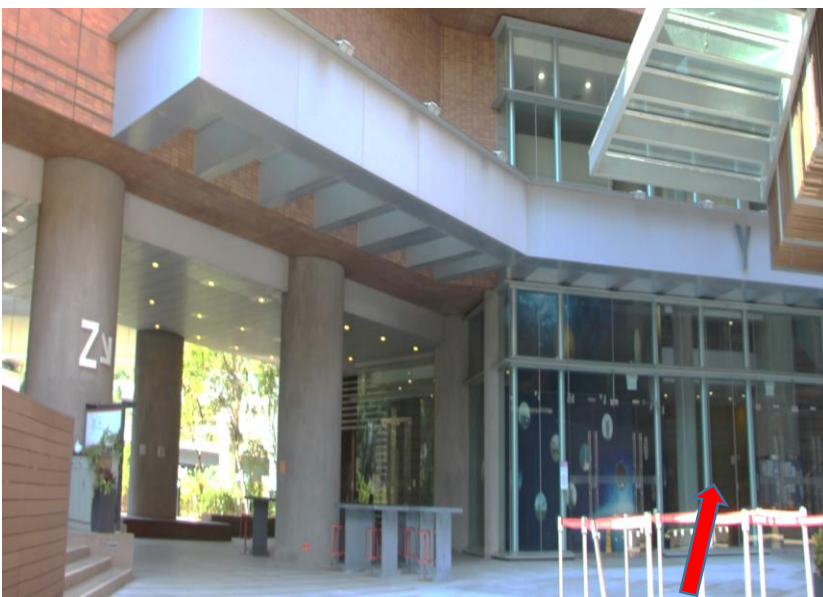

You will pass the cores P, Q, T and U by straight walk. TU201 is at the middle of core T and core U.

After pass the core T, TU201 is at your right hand.

Please turn left and take the path on the right of the parterre. Then, Walk straight along this path.

When you arrive this spot, please see the Y core in the color of grey on your up-right.
